HOUSING PAINTING PROJECT

**WE CAN PAINT YOUR HOME
 FREE OF CHARGE**

The Senior Citizen's House Painting Project's objective is to improve the aesthetics and image of the housing in the community by assisting senior and disabled residents who meet our qualifying criteria. We will accomplish this by painting the exterior of the qualified owner-occupied participants' homes and also making minor frontage landscaping improvements.

The program hires students, who under the supervision of adults, perform the painting service. This experience helps youth participants develop employment skills that will assist them with future employment opportunities.
