811 Call Before You Dig

## 811

Did you know that the City of Coalinga is a member of the 811 Call Before you Dig Community? If you are doing work in or around your yard or are a contractor you should call **800-227-2600**.

More information can be found at <https://usanorth811.org>

## Why Should I Use 811?

Depending on your location, the City of Coalinga as well as other utilities have gas, water, electric, and/or phone services running through your property.

If you submit a ticket, personnel are required to locate their utilities within two business days.

Don't become a news article or experience delays on your project!

**Don't Guess Be Sure**

Call 800-227-2600 or Online at [usanorth811.org](https://usanorth811.org)
