

CITY OF COALINGA
The Sunny Side of the Valley

June 15, 2020

Dear Coalinga Community,

As I write this update for you this Monday morning, we have had 23 positive COVID-19 cases in the Coalinga community. Based on the information provided to us, it is believed that 18 of the 23 cases remain active.

For specific information regarding the number of confirmed cases by community, please refer to the Fresno County Department of Public Health's website at https://www.co.fresno.ca.us/departments/public-health/covid-19?fbclid=IwAR1Rily6hbmKqHyqoiNjCw7Mv8DNfbf_BqMI5iQ9P3DsPOm0_vst_wWKvIQ and click County Epidemiology Program Information Portal.

On June 11, 2020, the City of Coalinga partnered with West Hills Medical Group, the County of Fresno and the Coalinga Area Chamber of Commerce to provide free COVID-19 testing within the City of Coalinga. Approximately fifty tests were administered. Be on the lookout for upcoming testing opportunities.

Our next regularly scheduled City Council meeting will be held this Thursday, on June 18, 2020, at 6:00pm via webinar. Please look for the link on the agenda which can be located on the City of Coalinga website at least 72 hours before the start of the meeting.

City Hall generally remains closed, but citizens are permitted into the lobby and conference room by scheduling an appointment with the appropriate staff members. We are continuing to provide essential services and we are now providing pool and solar permits. City staff remains available to assist the community and our no-contact services will also remain in place. Members of the public may contact City staff by calling (559) 935-1533 or by emailing info@coalinga.com.

I encourage all community members to like the official City of Coalinga Facebook page as we continue to post one-way communication informing the community on important matters.

Please continue to avoid large gatherings and help stop the spread of COVID-19 by staying home if you are sick, washing your hands regularly, avoiding touching your face, and consulting with your doctor if you feel ill.

Thank you,

FOR
Ron Lander, Mayor
